## Acknowledgements

Thank you to the research networks and researchers who have come to share their work.

Thank you to the University of Auckland and staff.

Thank you to all participants.

It is the HOPE Foundation's aim to support and encourage Research in Ageing through funding research and scholarships, meetings such as this and education. We also seek to encourage collaboration between researchers on ageing.

We would like to continue to hold Knowledge Exchanges yearly.

We would ask that you spread the word about our work and ask you to please add at least one person to our mailing list from your wider networks who may be able to support us in our work.

If you can help with donations or volunteering time through supporting the Friends of the HOPE Foundation, please get in contact.

We encourage you to attend the New Zealand Association of Gerontology's Conference 3-5 Dec 2025 Dunedin. We acknowledge their support and encourage you to join as members to further strengthen New Zealand Research in Ageing collaboration and networking.

Thank you to our sponsors:
